It's been a *great summer*  
& though the weather's not been so hot,  
**Arista** is!

We're having a great summer, with great activity at all our communities: we're gearing up for the launch of our model homes in Vaughan Valley, selling the last few homes in Churchill, and we are releasing new semi detached homes in Boxgrove. For those of you in Milton, watch for our third phase at Milton Trails coming this fall.

As well, we are extremely pleased to announce that we are sold out of our first release of homes at Jefferson Forest. This release sold out in less than a month!

**In this issue, you will find:**

- The latest Arista Academy
- AristaInnovations

We'd like to remind you that comments and questions are always encouraged. Please feel free to contact me at [editor@aristahomes.com](mailto:editor@aristahomes.com)

**How much is my existing home worth, and how fast can I sell it?**

When you already own a home, deciding to buy a new one presents a new challenge: how much is my existing home worth, and how fast can I sell it? Let the experts at Re/Max Premier help with the SmartSale Connection, a service that connects you with a team of Re/Max professionals to help with the sale your existing home also.

Smartsale Connection helps to coordinate your closing dates and helps get your home sold on time for a worry free move.
